They are periodically reviewed and revised to enhance the sport's fairness and competitiveness.

Playing Field and Equipment

Dimensions of the Kabaddi Court

The standard international kabaddi court is a rectangular field with the following specifications:

- Length:** 13 meters (about 43 feet)
- Width:** 10 meters (about 33 feet)

This size may vary slightly in some tournaments, but adherence to these dimensions is preferred for international matches.

Markings on the Field

The court is marked with:

- Two side lines (longer sides)
- Two end lines (shorter sides)
- Center line dividing the court into two halves
- Raiding and defending zones, with specific markings for each

Equipment

Standard equipment includes:

- Standardized court markings
- Uniforms for players

(including jerseys, shorts, and protective gear if necessary)

Referees and officials? whistles and flags

Teams and Players Number of Players Each team fields: 7 players on the court at any given time Up to 5 substitutes allowed

Player Roles Players are categorized mainly as: Raider: The player who enters the opponent's half to tag opponents and score points Defender: The players who stay in their half to stop the raider and prevent points

Substitutions Substitutes can be made during stoppages, with: A maximum of 5 substitutions per team per match Substituted players can re-enter the game after a certain period

Match Structure and Duration Match Length International kabaddi matches are typically played over two halves: Each half lasts 20 minutes There is a 5-minute halftime interval

Extra Time and Tie-Breakers In case of a tie: Extra time of 5 minutes each way may be played If still tied, a tie-breaker round is conducted, often on a point basis or through other agreed methods

Gameplay Rules The Raid The core of kabaddi involves a raider entering the opponent's half to tag defenders and return without being tackled or captured.

Raid Procedure The raid is conducted as follows: The raider crosses the midline into the opponent's half within 30 seconds of the whistle During the raid, the raider must chant "kabaddi" continuously without taking a breath The raider attempts to touch one or more defenders and return to their side The raid ends when the raider returns safely, is tackled, or the 30-second timer expires

Scoring Points are awarded as follows: Tagging an opponent: 1 point per successful tag Successfully returning to the team's half after a raid: 1 point Touching the opponent's court without being tackled: 1 point

Defensive Play Defenders aim to: Stop the raider by tackling or holding Prevent the raider from returning safely Use techniques like chain tackles, ankle holds, or body tackles

Outs and Revival Players are considered "out" and must leave the court if: They are successfully tackled They step out of bounds They are caught or held for more than 30 seconds

Players can re-enter the game following specific "revival" rules, usually after a team scores or at designated intervals.

International Kabaddi Rules: An In-Depth Expert Overview
 Kabaddi, a traditional sport with roots deep in South Asia, has gained international recognition and popularity over recent decades. As the sport's global footprint expands, so does the need for standardized rules that ensure fair play, safety, and consistency across competitions worldwide. This comprehensive guide delves into the intricacies of international kabaddi rules, providing an expert analysis of each component, from gameplay regulations to officiating standards, to give enthusiasts, players, and officials a detailed understanding of the sport's structured framework.

Historical Context and Evolution of Kabaddi Rules
 Before exploring the current international rules, it's essential to understand the sport's origins and how its regulations have evolved to meet modern standards.

Origins of Kabaddi Regulations
 Traditionally played informally across villages in India, kabaddi's rules were fluid and region-specific. As the sport transitioned from local folk games to organized competitions, governing bodies such as the International Kabaddi Federation (IKF) established standardized rules to unify gameplay across nations.

Evolution of Rules
 Over the years, rules have been refined to:
 Enhance competitiveness
 Improve player safety
 Facilitate international tournaments
 Promote fair officiating
 The current international rules are the result of collaborative efforts by the IKF, incorporating input from national federations, technical experts, and players.

Overview of the Basic Structure of International Kabaddi Rules
 The core framework of international kabaddi rules encompasses gameplay format, scoring systems, player specifications, court dimensions, and officiating protocols. These elements work together to define how the game is played, judged, and regulated.

1. Court Dimensions and Markings
Standard Court Size
Dimensions: The international kabaddi court measures 13 meters in length and 10 meters in width (approximately 43 x 33 feet).
Surface: The court is generally made of wood or synthetic material suitable for indoor play, with a smooth surface that ensures safety and good footing.
Markings
Mid-line: Divides the court into two equal halves.
Baulk line: Located 3.75 meters from each end line; raiders must cross this line to score.
Super tackle line: Positioned 1 meter from each end line; used in specific rules for super tackles.
Lines: Boundary lines mark the court's perimeter; stepping outside results in a loss of turn.

2. Team Composition and Player Roles
Number of Players
 Each team comprises 7 players on the court during gameplay. Additional players are substitutes, with rules governing their entry and rotation.
Player Positions
Raiders: Players who enter the opponent's half to tag defenders and score points.
Defenders: Players who guard their half,

attempting to stop raiders and prevent scoring.

All-rounders: Players proficient in both attacking and defending roles.

3. Match Duration and Structure
Game LengthTwo halves, each lasting 20 minutes, with a 5-minute halftime break.
The clock stops during specific situations, such as injuries or refereeing decisions.
Over-Time and Tie-BreakersIf the score is tied at the end of regulation, additional overtime periods are played. The team with the highest score after overtime wins; if still tied, a sudden-death approach may be used.

4. Gameplay Rules and Regulations
Raid and Defense Mechanics
Raid: An active attempt by a raider to score points by tagging defenders and returning to their half without getting caught.
Defense: The collective effort of defenders to prevent the raider from returning safely.
Raider RulesThe raider must enter the opponent's half without leaving the court. The raider must chant "Kabaddi, Kabaddi" continuously during the raid. The raider can tag opponents using their hands, feet, or body. The raider must return to their court within 30 seconds or before the referee calls "stop" for safety.
Defender RulesDefenders can use their hands and body to block or catch the raider. Physical contact is permitted but must be within safety limits; dangerous tackles are penalized. Defenders must stay in their respective halves, except during specific tactics.

Out and Revival RulesA player is declared out if:
 The raider successfully tags and returns.
 The raider gets caught before returning.
 The raider crosses the sideline or backline.
 A defender successfully tackles the raider.
 Out players are temporarily sidelined and can revive (re-enter the game) after their team scores a point, depending on specific rules.

5. Scoring System
Basic Points
Raid points: Awarded when the raider tags defenders and safely returns.
Tackle points: Awarded to defenders who successfully stop the raider.
Bonus points: For specific actions like crossing the bonus line or executing a super tackle.
Special Scoring Rules
Super Tackle: When the attacking team reduces the number of defenders to less than 3, a successful tackle scores 2 points.
All-Out: When all players of a team are declared out, the opposing team scores 2 additional points.
Winning CriteriaThe team with the most points at the end of regulation wins. In case of a tie, the game may go into overtime or be declared a draw, depending on tournament rules.

6. Fouls and Penalties
Common Fouls
 Crossing the mid-line early: Before the referee's whistle.
 Leaving the court during a raid or defense.
 Holding or pushing opponents unfairly.
 Using illegal techniques such as grabbing hair or clothing.
 Delaying the game or intentionally fouling.
PenaltiesPlayers committing fouls are declared out for a specified period. The team may lose a point or advantage depending on the severity. Repeated fouls lead to warnings or disqualification.

7. Officiating and Referee Protocols
Roles of Officials
Referee: Main authority, responsible for starting/stopping play, awarding points, and enforcing rules.
Umpires: Assist the referee in monitoring specific areas or aspects of gameplay.
Scorers and Timekeepers: Maintain the score and manage game timing.
Referee SignalsReferees use standardized hand gestures and whistle signals to communicate decisions, such as awarding points, declaring out, or penalizing fouls.
Video Assistance and Modern TechnologySome tournaments employ video review systems to ensure accurate decisions, especially for contentious plays.

8. Additional Rules for Special Situations
SubstitutionsAllowed during stoppages; teams can substitute players without penalty. Substituted players can re-enter the game after a designated period or event.
TimeoutsEach team may request a timeout, typically lasting 1 minute. Used for strategy, injury management, or addressing issues.
Equipment and Safety RegulationsPlayers must wear appropriate gear, including knee and elbow pads. The court and

equipment must meet safety standards set by the governing body. Conclusion: The Significance of Standardized Rules in International Kabaddi The adoption of comprehensive, standardized international kabaddi rules has been pivotal in elevating the sport from traditional local pastime to a globally recognized competitive discipline. These rules ensure consistency, fairness, and safety, enabling players from diverse backgrounds to compete on a level playing field. They also facilitate the sport's inclusion in multi-sport events like the Asian Games and the World Cup, boosting its visibility worldwide. Moreover, the meticulous regulation of gameplay, scoring, officiating, and safety underscores the sport's commitment to professionalism and athlete welfare. As kabaddi continues to grow, ongoing rule refinements and technological integrations will likely further enhance the game's appeal and integrity. Whether you're a player, coach, or fan, understanding these international rules enriches your appreciation of the sport's complexity and strategic depth?elements that make kabaddi a dynamic and thrilling sport enjoyed across continents.

QuestionAnswer

What are the basic rules of international kabaddi?

International kabaddi rules include two teams of seven players each, a rectangular court divided into attacking and defending sides, and gameplay consisting of raiding and defending. The raider tags defenders and returns to their side without being tackled, while defenders try to stop the raider. Points are scored when the raider successfully tags opponents or when defenders fail to stop the raid.

How long is a standard international kabaddi match?

A standard international kabaddi match consists of two halves, each lasting 20 minutes, with a 5-minute halftime break. The team with the most points at the end wins the match.

What are the specific rules for raiding in international kabaddi?

During a raid, the raider must enter the opponent's half, tag as many defenders as possible, and return to their side within 30 seconds. The raider must also continuously chant 'Kabaddi, Kabaddi' without taking a breath, as per traditional rules. If the raider is tackled or steps out of bounds, the raid is unsuccessful.

How is scoring done in international kabaddi?

Points are awarded for successful raids (1 point per raid), for each opponent tagged, and for opponents committing faults. The defending team earns a point if they stop a raid or if the raider

gets out of bounds or is tackled.

What are the rules regarding fouls and penalties in international kabaddi?

Fouls include illegal tackles, stepping out of bounds, or entering the opponent's court illegally. Penalties involve awarding points to the opposing team, and repeated fouls can lead to player suspensions. Certain fouls may also result in free plays or technical points.

Are there any specific rules for substitutions in international kabaddi?

Yes, teams are allowed substitutions during stoppages in play, with a limited number of substitutions per match as per international regulations. Substituted players can re-enter the game, but substitutions must be communicated clearly to referees.

What is the role of the referee in international kabaddi matches?

The referee enforces the rules, makes decisions on points, fouls, and out-of-bounds calls, and ensures fair play. There are also assistant referees who assist with boundary and line calls, and a referee team manages the game proceedings.

How are tie matches resolved in international kabaddi tournaments?

If the score is tied at the end of regulation time, extra time or tie-breaker rounds are played, such as successive raids or sudden death, depending on the tournament rules, to determine the winner.

Are the international kabaddi rules different from the traditional Indian rules?

Yes, international rules are standardized by the International Kabaddi Federation to ensure uniformity across competitions, whereas traditional rules may vary regionally. International rules include specific time limits, foul regulations, and scoring criteria.

What equipment is required to play international kabaddi?

Players need comfortable sportswear, and a standard kabaddi court measuring 13m x 10m with boundary lines. No special equipment is required, but referees use whistles and flags to signal decisions during the game.
